COMMANDER'S MESSAGE

This is not your Father's Oldsmobile (or Legion) anymore! If you've not been by the Post lately, you have reason to come see what we are doing to make Your post home your place for fun and friends away from home.

Karaoke, with not only individual performances, but also the whole gang joining in for audience Sing alongs – without you having to get in front of a microphone – remember Mitch Miller? – unless you want to. Flat screens and Wii video games are on the way! Tournaments anyone? Bowling, Golf, Madden 2010 Football.

Live music on Fridays to rock your night away, and dancing 'til you can't dance any more. Fish fry Fridays will continue, too, each month.

Bingo Wednesdays and Saturdays, optimized for the largest jackpots the GBI and participation will allow.

Monthly activities are being planned and each monthly general membership meeting will be enhanced to be enjoyable, not just business as usual.

We are grateful to have a close working relationship with our Ladies Auxiliary. President Sue Folmar and her unit members have already stepped up to the plate to help us move forward. The Auxiliary generously voted and approved a donation of \$500.00 for the Post. Five Hundred thank yous are not enough, but a good start. We plan to reach new levels of mutual helpfulness. All are welcome to join the effort.

The mission of the American Legion, our Post's mission, is to be of service to the veteran. We want to serve you, our veteran members and family. Let us know your suggestions and unless you join in the fun, our mission to serve you will not be complete, or as much fun.

~~Many willing hands are working to serve you. Feel free to help us help you and others. We value you, we need you, and we welcome you.~~

Your servant, for God and Country
 Doug Andrews
 Commander

SENIOR VICE

Membership continues to rise as we encourage everyone to make an effort to recruit new members – young and old. We are rapidly approaching good numbers for this time of year.

Bingo continues to improve with our \$900 jackpot bringing in more players even on Wednesday nights. We still need more workers so check with me if you can devote some time to the Bingo effort.

For God and Country
 Bill Quinan

ADJUTANT

MEMBERSHIP ALERT... Paid Up For Life Membership rates are going up an estimated 200 percent in October 2009. Any member considering purchasing a Paid Up For Life Membership needs to apply ASAP. The regular membership dues of \$25.00 PER YEAR are not affected by this increase. Any questions... call Post 184 Adjutant CHARLES BLACK... CELL # 655-9924. Thanks for your support.

For God and Country
 Charles Black
